people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today
because i knew you

Kids are great (former taekwondo instructor here, I used to teach small children); I just don't want any of my own.

I don't hate kids but I definitely never want to ever have any. Ever. Nothing can ever change my mind.

Kids are cute...but I am never, ever, *ever* having a kid, ***never***.

My parent: you change your mind when you grow up
Me: no I'm not
My parent: oh I'm pretty sure you'll fall in love and change your mind
Me: just because you said that, I'm going to prove you wrong...also I'm already in love
My parent: really? With who?
Me: not *who*. what. I'm in love with food...
